

To My Dear Patient,

For close to 5 years, I have thoroughly enjoyed providing care to you at Sound Obstetrics and Gynecology. After much thoughtful consideration with my family, I have made the challenging decision to resign from my position at Sound as Nurse Practitioner. I will be taking this opportunity to spend time at home with my children while they are young.

I am so grateful to each of you for putting your trust in me as your caregiver. We have laughed together, cried together, grown together, grieved together, and rejoiced together. It has been a true privilege to be part of such a personal part of your life and I thank you for sharing with me. You have touched my life and helped shape the provider I have grown to be.

My last day in the office will be March 24, 2022. You will undoubtedly be in the most excellent of hands, as the team at Sound are the most caring, compassionate, and competent providers with whom I have had the honor of working alongside.

I thank you for sharing all of your ups and downs with me, and allowing me to be part of your care. I wish you all the best and I know you will receive excellent care at Sound.

Most Sincerely and Respectfully,

Erin Moroni, APRN
